## **PRESS RELEASE**

**5.10.2009**

Central Election Commission is working diligently in preparing and organizing Elections, and it is being carried out its duties under the plan and law. In CEC address recently have been directed complaints by opinion and especially from media that some of Political Entities are braking the Election Campaign.

CEC is not competent to take decisions on Law disobedience and disrespect by Political Entities.

According to Code of Conduct for Political Entities, their supporters and Candidates in Article 32.2 of the Law for general elections its said decisively that ECAC has legal authority to take decisions on claims that there has been violation on provisions of this code and to declare sanctions and compensations in accordance with its procedure'' (Law on general elections and the Law on local elections, pg. 42).
