PRESS RELEASE

22.09.2009

Central Election Commission today has completed the certification of 20 political entities and their candidates who applied for certification of 15 November election.

Certification has been done according to the recommendations of Office for Registering Political Parties, which has processed the documentation of these entities on 18 September.

14 of these entities are independent candidates, 5 are citizens' initiatives and 1 is political party. Central Election Commission has also accredited NGO "National Democratic Institute – NDI" with 28 observers.
